## Capture this exciting moment with a CLASS COMPOSITE

It has been a great year filled with fun and exciting new experiences. Edge Imaging is honoured to help you remember this special time with an 11" x 14" Milestone Class Composite in a hard cover folder.

### What is a Class Composite?

It's a printed keepsake featuring portraits and names of all the students in the Class of 2018! A great way to capture this moment in time.

### IMPORTANT INFORMATION

- Two weeks after photo day, students will receive their Milestone Portrait proofs with the opportunity to purchase a variety of photo products.
- All students will be photographed for the class composite; however, only students that purchase a composite will receive one. Composites will be delivered to the school before the end of the school year.
