

# Ventura Park Family Math Night!

## Math Mission: ~~im~~Possible!

**Wednesday May 2nd 2018**  
**6:30 p.m. - 8:00 p.m.**

**Learn:** About activities, games and strategies to support your child's mathematical learning at home!

**Discover:** Resources for home and ways to make math meaningful for your child!

**Take home:** A gift bag with manipulatives and resources!

We will be holding our second Family Math Night! We are inviting **all students and families of grades 1 - 8** to this event. Students must be accompanied by at least **1 guardian**.

If you are interested in attending Family Math Night, please fill out the Google Form no later than Tuesday April 24th 2018.
