

# DRAWING & CARTOONING

Learn how to draw animals, landscapes, figure drawings, cartoons and animation. Step into the creative world of Drawing & Cartooning as our instructor will go through a step by step program and encourage student's creative imaginations. We believe our supportive and noncompetitive environment will help fuel our students' artistic abilities. All students receive their own sketchbook to take home at the end of the session.

Ventura Park P.S.  
Thursdays January 17<sup>th</sup> – March 7<sup>th</sup> 2018 (8 weeks)  
Lunch Time Period  
Grades 1-5  
\$135 per student
