Dear Parents and/or Guardians,

We've had an amazing start to One Warm Coat! Thank you so much for all your donations so far. We're still collecting donations until **Friday, December 14, 2018**.

Please remember, we're only taking donations for gently used winter clothing. In addition, **please do not donate undergarments.**

Thank you!

Ventura Park thanks you for your kind donations. Your generosity helps keep members of our community warm this winter.
