

# CHILDRENS BOOK DRIVE 2019: COMING TO VENTURA PARK P.S FROM APRIL 8 - 12

## About the Childrens Book Bank

The Children's Book Bank provides free books and reading and writing ability support to children living in poor neighborhoods across Toronto. **Since 2008, the Book Bank has operated a beautiful storefront space located in the Regent Park/St. James Town neighborhood which welcomes school and camp groups as well as families and their children to listen to stories, browse our collection, and choose a favorite book to take home to keep.**

## How Can You Help?

You can bring your own new or gently used books to the box by the front office. **Please make sure the books are not damaged , are published within the last ten years, and that the books are for kids aged 0 - 12. Also, please note that we will not be accepting school, library or textbooks and encyclopedias.** All books will be donated to the Children's Book Bank . Thank you for your donations! Just know that you can help give an underprivileged a chance to read!
