Dear VPPS Parents / Guardians;

On Monday June 3, 2019, at the York Region District School Board meeting of trustees and senior administrators, decisions were made regarding some of the administrative assignments for the coming school year. At that time, it was decided that I would assume the responsibility of Principal at **Louis-Honoré Fréchette Public School**, effective September 1, 2019.

The Board has named **Greg Farrell** as the new Principal for Ventura Park Public School, effective September 1, 2019.

It has been my privilege to serve this community since **September 2015**. I am confident that **Greg Farrell** and Vice-Principal **Mary Mackeracher** will continue with our VPPS focus on student achievement and student well-being.

Please join me in welcoming **M. Farrell** as the new Principal of Ventura Park Public School.

Sincerely,
